Mr. Tony Carbrello  
Middle School Coordinator of Religious Education & Assistant Director of Faith  
Formation  
Billerica Catholic Religious Education (BCRE)  
470R Boston Road  
Billerica, MA 01821

Dear Tony,

With warmth and appreciation in our hearts, we send to you our sincere thanks and gratitude to you and all the children and families who so generously and thoughtfully showered our residents with gifts. To be the recipient of your generosity has truly proven to be a remarkably heartwarming experience.

On behalf of the residents and staff of New England Pediatric Care I would like to extend our sincere thanks and appreciation for your support and gracious offerings. You are a true example of neighbor taking care of neighbor: kindness, giving, love, sharing and supporting. What we found quite remarkable is that your gifts were given out of love and care for us and not really associated with the traditional gift giving season. As you also noted, our families are tremendously appreciative and touched by your generosity. The children are all enjoying their new products, movies, crafts and clothing and we are so touched and grateful by your incredible generosity.

We feel honored and blessed to be in your thoughts and hearts and as you continue to sprinkle your love and support around the community, we celebrate with you and through you the spirit of life, joy, kindness, love and caring. Thank you again for your considerations, generosity and support. We send our best wishes for a holiday season filled with peace, joy and many wonderful blessings.

Warmly,

Laura Kirk CTRS  
TR. Supervisor
